User stories

As a user, I want to be able to chat with other users participating to the same event, to make new friends.

As an organizer, I want to be able to see <u>analytics</u>* about my past events, so that I can improve the quality and organization of future events.

As an organizer, I want to be able to edit an event, so that I can keep users informed about changes.

Dictionary:

*<u>analytics</u>: times event was clicked by users, planned participants, actual participants.
